Official Notice

Patent Rules 1992 – Rule 77, – Office Closure

Due to the COVID 19 pandemic, the Intellectual Property office of Ireland (IPOI) is closed to the public and to personal callers until further notice. Clients and customers are asked to continue to use our online e-filing and payment services, and to continue to communicate with us by email whenever possible.

While the Office remains unable to facilitate personal callers to its premises until further notice, telephone enquiries are being accepted on 00- 353- 56 7720111 between 9.30 a.m. and 4 p.m. Monday to Friday.

Notice of termination of IPOI mail facility at Earlsfort Terrace, Dublin 2

The facility for the receipt of mail from patent and trade mark agents at Earlsfort Terrace, Dublin 2, which has not been available since March 2020, has been terminated with immediate effect.

All future communications should be either emailed to ipinfo@ipoi.gov.ie or posted directly to the IPOI, Government Buildings, Hebron Road, Kilkenny R95 H4XC

Register of Patent Agents

Examination in the Law and Practice of Patents

Due to continuing COVID 19 restrictions, it is proposed to hold an online e-examination in the law and practice of Patents on **27 May, 2021**. The latest date for receipt of applications from persons who wish to sit this examination is **23 April, 2021**.

Candidates wishing to be examined must have submitted in advance to the Controller an application form and fee of €200 not later than **23 April, 2021**. Candidates who have already applied to sit the postponed 2020 exam are asked to confirm their intention to sit the 2021 e-examination by 23 April.

The e-examination will be in the same format and same duration (3 hours) as in previous years but will be completed on a computer or laptop rather than on paper. Past papers are available on the IPOI website.

The e-examination will be delivered through a software application called TestReach. The software will enable candidates to sit the examination at home or in the office and be supervised online. This means that there is no need to travel to a test centre.

Candidates can sit the e-examination using a computer desktop or laptop and enter the answers to questions on screen. An online supervisor will connect to candidates using audio, video and remote screenshare, and will be there to support candidates through the examination and make sure the exam is conducted with integrity.

To sit the remotely invigilated exam, candidates will need a standard desktop or laptop with a webcam, a microphone and good quality internet connectivity. Candidates cannot sit the exam on a mobile phone, tablet or Chromebook. Minimum system requirements for remotely invigilated exams are:

- A laptop or computer running Windows 7+ or macOS 10.10+
- Intel Core i3 (or equivalent) and 4GB RAM
- A working webcam, microphone and speakers.
- Good continuous internet speed of 516kbps or higher
- We also recommend a screen size of at least 13" and a resolution of 1024 x 768.

More information about TestReach is available at this link:

<https://www.testreach.com/candidate-support-frequently-asked-questions.html>

All candidates who have applied and confirmed their interest in sitting the 2021 e-examination will be furnished with other relevant information in due course.

Ideas Powered for Business SME Fund

The Ideas Powered for Business SME Fund is a €20 million grant scheme created to help European small and medium-sized enterprises (SMEs) develop their IP strategies and protect their IP rights, at national, regional or EU level. The scheme is operated by the EUIPO in conjunction with the national IP Offices. A scheme (Service 2) which provides for the reimbursement of 50% off the basic application fees of national, regional and EU trade marks and designs is already in operation.

The Intellectual Property Office of Ireland (IPOI) is now seeking expressions of interest from professional IP experts and attorneys who can provide an intellectual property (IP) pre-diagnostic service (Service 1) to small or medium-sized enterprises (SMEs) in Ireland. The IPOI is anxious for Irish SMEs to be able to avail of this scheme by summer 2021. The pre-diagnostic service or IP scan is aimed at providing a practical, objective and factual analysis of an SMEs business model, products and/or services and growth plans to help achieve a better understanding of the value of intellectual property for a business and, in particular, to identify the intellectual assets they hold and the possible IP protection options for those assets. It should also assist in shaping and planning an enterprises IP business strategy now - and in the future.

The scheme is co-financed by the European Commission (under the EU programme for the Competitiveness of Enterprises and Small and Medium-sized Enterprises) and the European Union Intellectual Property Office (EUIPO) under the SME Fund initiative. An SME will be able to claim 75% of the fees paid by them to an IPOI approved expert for the pre-diagnosis IP Scan service. Each SME can be reimbursed up to a maximum total of €1,500 for either Service 1 or Service 2 or a combination of both services

The role of the IPOI will be to coordinate the provision of the IP Scan Service (Service 1) as well as confirming its completion for reimbursement purposes. The service will be provided by an IP pre-diagnostic expert (allocated by the IPOI). The expert will provide a report outlining its findings on the SMEs' IP rights and proposing recommendations for the future management of the IP rights owned by the SME. The IPOI is required to approve and sign off on the report which will be used by the SME to prove that the service was provided, when requesting reimbursement of the payment made to the expert. As the sponsoring body for this initiative, the EUIPO requires that experts intending to participate in the scheme would first attend an online training event organised by them. Further information on this will be supplied in advance.

Further information on the overall scheme can be accessed via this link:

<https://euipo.europa.eu/ohimportal/en/help-sme-fund>

Please send expressions of interest to: ipinfo@ipoi.gov.ie by 15 April 2021. Please include relevant information concerning your expertise in providing this kind of service and what fee (rate per hour and per day inclusive and exclusive of VAT) you will charge for the service. Enquiries or requests for further information should be sent to: : ipinfo@ipoi.gov.ie with "SME Fund" in the subject line.

Applications for Patents From 11/03/2021 to 24/03/2021

The names of applicants are in alphabetical order. In the case of joint applicants, each name is given independently. The title of the invention should not be regarded as an exhaustive indication of the subject-matter. The date immediately following the title is that on which the application was filed; in the case of a divisional application, the filing date of the earlier application is added within parentheses. In the case of a Convention application the Convention country and priority date(s) claimed are given in square brackets and where an application claimed the priority of an earlier application filed at the office, this information is given within the square brackets. The number is that of the application and should be used for correspondence purposes up to the date of grant of a patent. The letter S preceding the number indicates that the application is for a short-term patent. A new number will be given when a patent is granted and this new number should be quoted in all correspondence subsequent to grant.

Patents Granted Under Section 34

The number of a patent is given in heavy type; the letter S preceding the number indicates a short-term patent. The code numbers following the title of each invention are those of the International Patent Classification. The date of filing the application follows the proprietor's name. The patent application number, which follows the date of application in parenthesis, has been superseded by the patent number. In the case of an application claiming the priority of an earlier application, the name of the country where the earlier application was made and the date of the earlier application are shown in square brackets.

By virtue of Section 65(3), the application relating to any short-term patent appearing in the following list whose date of filing is later than the date which is 18 months prior to the date of this issue of the Journal becomes open to public inspection as and from the date of this issue of the Journal.

Official Notice

Patent Rules 1992 – Rule 77, – Office Closure

Due to the COVID 19 pandemic, the Intellectual Property office of Ireland (IPOI) is closed to the public and to personal callers until further notice. Clients and customers are asked to continue to use our online e-filing and payment services, and to continue to communicate with us by email whenever possible.

While the Office remains unable to facilitate personal callers to its premises until further notice, telephone enquiries are being accepted on 00- 353- 56 7720111 between 9.30 a.m. and 4 p.m. Monday to Friday.

Notice of termination of IPOI mail facility at Earlsfort Terrace, Dublin 2

The facility for the receipt of mail from patent and trade mark agents at Earlsfort Terrace, Dublin 2, which has not been available since March 2020, has been terminated with immediate effect.

All future communications should be either emailed to ipinfo@ipoi.gov.ie or posted directly to the IPOI, Government Buildings, Hebron Road, Kilkenny R95 H4XC

Register of Trade Mark Agents**Examination in the Law and Practice of Trade Marks**

Due to continuing COVID 19 restrictions, it is proposed to hold an online e-examination in the Law and Practice of Trade Marks on **25 May, 2021**. The latest date for receipt of applications from persons who wish to sit this examination is **23 April, 2021**.

Candidates wishing to be examined must have submitted in advance to the Controller an application form and fee of €200 not later than **23 April, 2021**. Candidates who have already applied to sit the postponed 2020 exam are asked to confirm their intention to sit the 2021 e-examination by 23 April.

The e-examination will be in the same format and same duration (3 hours) as in previous years but will be completed on a computer or laptop rather than on paper. Past papers are available on the IPOI website.

The e-examination will be delivered through a software application called TestReach. The software will enable candidates to sit the examination at home or in the office and be supervised online. This means that there is no need to travel to a test centre.

Candidates can sit the e-examination using a computer desktop or laptop and enter the answers to questions on screen. An online supervisor will connect to candidates using audio, video and remote screenshare, and will be there to support candidates through the examination and make sure the exam is conducted with integrity.

To sit the remotely invigilated exam, candidates will need a standard desktop or laptop with a webcam, a microphone and good quality internet connectivity. Candidates cannot sit the exam on a mobile phone, tablet or Chromebook. Minimum system requirements for remotely invigilated exams are:

- A laptop or computer running Windows 7+ or macOS 10.10+
- Intel Core i3 (or equivalent) and 4GB RAM
- A working webcam, microphone and speakers.
- Good continuous internet speed of 516kbps or higher
- We also recommend a screen size of at least 13" and a resolution of 1024 x 768.

More information about TestReach is available at this link:

<https://www.testreach.com/candidate-support-frequently-asked-questions.html>

All candidates who have applied and confirmed their interest in sitting the 2021 e-examination will be furnished with other relevant information in due course.

Ideas Powered for Business SME Fund

The Ideas Powered for Business SME Fund is a €20 million grant scheme created to help European small and medium-sized enterprises (SMEs) develop their IP strategies and protect their IP rights, at national, regional or EU level. The scheme is operated by the EUIPO in conjunction with the national IP Offices. A scheme (Service 2) which provides for the reimbursement of 50% off the basic application fees of national, regional and EU trade marks and designs is already in operation.

The Intellectual Property Office of Ireland (IPOI) is now seeking expressions of interest from professional IP experts and attorneys who can provide an intellectual property (IP) pre-diagnostic service (Service 1) to small or medium-sized enterprises (SMEs) in Ireland. The IPOI is anxious for Irish SMEs to be able to avail of this scheme by summer 2021. The pre-diagnostic service or IP scan is aimed at providing a practical, objective and factual analysis of an SMEs business model, products and/or services and growth plans to help achieve a better understanding of the value of intellectual property for a business and, in particular, to identify the intellectual assets they hold and the possible IP protection options for those assets. It should also assist in shaping and planning an enterprises IP business strategy now - and in the future.

The scheme is co-financed by the European Commission (under the EU programme for the Competitiveness of Enterprises and Small and Medium-sized Enterprises) and the European Union Intellectual Property Office (EUIPO) under the SME Fund initiative. An SME will be able to claim 75% of the fees paid by them to an IPOI approved expert for the pre-diagnosis IP Scan service. Each SME can be reimbursed up to a maximum total of €1,500 for either Service 1 or Service 2 or a combination of both services

The role of the IPOI will be to coordinate the provision of the IP Scan Service (Service 1) as well as confirming its completion for reimbursement purposes. The service will be provided by an IP pre-diagnostic expert (allocated by the IPOI). The expert will provide a report outlining its findings on the SMEs' IP rights and proposing recommendations for the future management of the IP rights owned by the SME. The IPOI is required to approve and sign off on the report which will be used by the SME to prove that the service was provided, when requesting reimbursement of the payment made to the expert. As the sponsoring body for this initiative, the EUIPO requires that experts intending to participate in the scheme would first attend an online training event organised by them. Further information on this will be supplied in advance.

Further information on the overall scheme can be accessed via this link:

<https://euipo.europa.eu/ohimportal/en/help-sme-fund>

Please send expressions of interest to: ipinfo@ipoi.gov.ie by 15 April 2021. Please include relevant information concerning your expertise in providing this kind of service and what fee (rate per hour and per day inclusive and exclusive of VAT) you will charge for the service. Enquiries or requests for further information should be sent to: : ipinfo@ipoi.gov.ie with "SME Fund" in the subject line.

Application for Registration of marks published under Section 43(1) of the 1996 Act following acceptance

Notice is hereby given that Applications for the Registration of the undermentioned trade marks have been accepted.

Any person who desires to oppose the registration of these trade marks may within three months from the date of this Journal give notice to the Controller, in accordance with the provisions of Rule 18.

It should be noted that under the provisions of Rule 63(2) no extension of the opposition period is allowed for lodging opposition under Rule 18.

It is desirable before lodging formal opposition that a communication should be addressed to the Applicant affording him an opportunity to withdraw his application for registration. In this way cost of opposition proceedings may be avoided.
